

Demodia is a multi-award winning digital marketing agency. We are an international team of thought-leading marketing consultants, writers, designers, and developers that specialise in modern marketing approaches. We are proud to provide demand generation, marketing automation and content marketing solutions to some of the world's leading organisations.

## We make your marketing dreams come true

Do your digital marketing efforts deliver the awareness, leads and sales you expect? If so, you can save yourself some time and stop reading now.

Experience tells me that most of you are still reading... Numerous companies are unable to match their marketing aspirations solely through internal skills and capabilities. That's why we established Demodia. We know how to turn your digital marketing vision into the processes, best practices and content that will deliver results. Our team help businesses like yours to define and deliver:

- digital marketing strategy and processes
- product value propositions
- integrated marketing campaigns
- lead nurturing and marketing automation programmes
- websites, emails and landing pages
- marketing media and collateral

## Effective strategies and innovative marketing programmes

We provide you with the experience and processes you need to deliver innovative marketing programmes that nurture interest and deliver increased revenue. Just like each client, every solution that we deliver is unique. With your objectives in mind, we provide tailored digital marketing consulting and content designed to meet and exceed your aspirations. Moreover, our aim is to educate your team and share our knowledge with you so that our marketing efforts can scale and continue to be industry-leading.

## A unique fusion of business and technology expertise

Our unique combination of people makes us who we are. It has won us multiple awards and enabled us to work with many of the worlds leading organisations. Companies such as OpenText, Commvault, PwC and EXTEDO trust Demodia to understand their markets, develop compelling campaigns and find them new business opportunities.

We are masters of delivering outstanding digital campaigns using modern marketing tools and techniques. From the Salesforce to Oracle, Marketo, HubSpot and SharpSpring we partner with some of the leading marketing automation providers. The marketers and developers within our team use these technologies to design and deliver clever and exciting integrated marketing programmes that engage leads, and existing clients, and nurture them through on-boarding and buyer journeys until they are ready to take the big step and make that purchase.

If you're still reading at this point, then your marketing needs to evolve and we should talk. Our team is here to help you deliver a winning approach and meet your marketing aspirations.
